## SCHEDULE REMINDERS

Longmont Meals on Wheels will not be delivering meals on Thursday, January 1st or Monday, January 19th. If you need a meal for these closures, call us to discuss your needs.

## SURVEYS ARE COMING

Please watch for your survey and client update in the mail. We want to be sure we have your most current information to serve you well and keep you safe.

## EMAIL NOTICE OPTIONS

If you would like the monthly menu and newsletter by email, please send us a note at [office@lmow.org](mailto:office@lmow.org). Family members and caregivers are welcome to sign up as well. You will receive the menu and notice of client-related events and closures. Let us know if you are also interested in being on our general email list.

## OUR LOCKBOX PROGRAM

Please participate in our free lockbox program. A lockbox with your key in it provides Fire, Police and Emergency Medical Services (EMS) access to your residence in the event of a wellness check where you are unable to open the door. Emergency services cannot knock down your door without a significant process. Even if you have family in town, quick access by emergency personnel can be critical. **Be proactive in your safety!** You and your loved ones will have greater peace of mind. Lives have been saved! If you have an application, please send it in. If you need one, call us at 303-772-0540 or visit our website, [longmontmeals.org](http://longmontmeals.org). You are important to us!

## WISHING YOU A SAFE & HAPPY NEW YEAR

We, at Longmont Meals on Wheels, want to wish you a Happy New Year. It is our pleasure to serve you all!
