*Dear Veterans,*

*Those of us who have not served will never fully understand the sacrifices you've made both in times of peace and of war.*

*We will never fully understand what you were required to do or how you were able to do it.*

*We will never fully understand the depth of your scars. But what we can offer you is this:*

*We see you.*

*We recognize your humanity.*

*And we send you love that is gentle, patient and healing.*

*With Blessings and Gratitude, we ask that you remember you are loved.*

*Thank you.*
