The Longmont Senior Center will be closed for annual maintenance from July 20th through August 3rd, Our community lunch program at the Park View Cafe will also be closed during those days. **Home delivered meals will continue as usual.**

ICE PACKS REQUIRED FOR DELIVERY

Please remember to leave a cooler outside with ice in it if you are not home to receive your meal. Drivers have been asked not to leave meals if you are not home and you do not have a cooler with ice. We do not want your food to spoil in the heat. If you need a cooler or ice pack, call us at 303-772-0540.

BEAT THE HEAT

Please be sure to have at least one cool room to retreat to if the heat becomes excessive. Please call our office at 303-772-0540 to discuss the city's and state's energy options if you missed June's newsletter. During a heat emergency, cooling centers are open across the city in places like the museum, the rec centers, the library and the senior center.

Heat Stroke is an emergency. Call 9-1-1 if you are experiencing symptoms like: high body temperature; red skin; fast, strong pulse; or nausea, confusion or fainting.
